Certificate in Medical Laboratory Science.....	\$12,325
Certificate in Neurodiagnostic Technology.....	\$497/Credit Hour
Certificate in Radiation Therapy.....	\$12,325
Nurse Aide.....	\$1,200
Phlebotomy.....	\$640
Specialist in Blood Bank Technology.....	\$2,870

## Indirect Cost of Attendance

Exxat.....	\$25
Drug Screen.....	\$40
Health Insurance.....	Varies by Provider
Health Assessment/Immunizations.....	Varies by Provider
Living Expenses/Housing.....	\$35,542*
TEAS Exam.....	\$120
Transcript Request.....	\$8.35

### **Background Check**

Any background check cost above \$100 will be the responsibility of the student and added to the student's account.

### **Fees**

Fees are institution-related charges that we will be directly billed to student accounts. These fees are applicable to all students.

Any fees listed above are subject to change without notice.

### **Indirect Cost of Attendance**

Additional costs that students may face during their time at Carolinas College of Health Sciences may not come directly from the college or appear in their student account.

### **\*Living Expenses/Housing**

Living Expenses reflect CollegeBoard's 'Guidance for Twelve-Month Living Expenses in the Charlotte area for 2024-2025. Carolinas College of Health Sciences does not offer on-campus or off-campus housing for students.

***Tuition and/or collegewide fees do not include program costs (e.g., lab costs, etc.). To find those costs, please review your program below.***
