Giving Back to Levine Children's Hospital

We, and the families we serve at Levine Children's Hospital, are grateful for the generous support from our community. If you are interested in participating in a service project, listed below are several types of drives to help fulfill a family's needs during a hospital stay. Please note, due to infection prevention policies, we kindly request that donations be new with tags and unused.

Organizing a Toy Drive Help brighten a child's hospital stay with toys and activities. Our Child Life team shares toys with patients to help ease the stress of a hospital visit. Visit our Amazon Wish List for ideas popular with our patients.

Organizing a Toiletry Drive Many families do not anticipate spending the night in the hospital and toiletries are always appreciated. We welcome donations of toiletries (toothbrushes, toothpaste, hair care products, multicultural hair products, body lotion, etc.) and clothing of all sizes, especially children's underwear, women's underwear and sports bras and men's boxer briefs.

Organizing a Book Drive The library at Levine Children's Hospital has a need for all books, ranging from baby board books to books for teens, in both English and Spanish. Coloring books, activity books, Sudoku, word search books and journals are also popular and appreciated.

Crafting Ideas

If you are interested in creating a donation for patients and families, here are a few ideas that our patients love.

Sewing Children's Scrub Caps Many of our patients receive their own "surgical cap" to wear as they go into surgery. Patterns come in a variety of prints and colors and may be found on the internet.

Blankets Blankets of all kinds, including no-sew fleece, knitted and quilted blankets are loved by our patients.

Pillowcases Our patients love to add some color to their bed with standard size pillow cases in all prints and patterns.

Raising Support for Levine Children's Hospital
